

## UPCOMING RAMP OPENINGS AND TRAFFIC IMPACTS

As part of the Zoo Interchange project, the I-94 Eastbound exit ramp to WIS 100 and the I-41/894 Northbound exit ramp to Greenfield Avenue have been closed short-term and will reopen the weekend of July 30/ 31.

- **I-94 Eastbound exit ramp to WIS 100** will reopen to traffic by **Saturday, July 30 at 6:00AM**
- **I-41/894 Northbound exit ramp to Greenfield Avenue** will reopen to traffic by **Sunday, July 31 at 6:00AM**

A traffic switch will also take place on I-41/894 Northbound **Sunday, July 31 by 8AM**. The lane closure on I-41/894 Northbound will continue to be a right lane closure at the same location as it has been. This switch will move traffic onto the newly constructed pavement and provide a new work area in the median. The traffic will shift to the right and then to the left. Motorists are advised to slow down and stay alert to the change in traffic pattern. Please plan ahead, allow extra time and watch for signs.
